

> Thank you!

The students and staff of the EU warmly thank you for your ongoing gospel partnership.

Your prayerful and financial support enables the next generation of Christian disciples and leaders to be engaged and grown in the gospel of Jesus, and sent out for a lifetime of serving Him in local churches and world mission.

Our Vision is: To flood God's church in Sydney, Australia, and beyond with lay and vocational Christian leaders who are Biblically and theologically mature, servant-hearted, and innovative ministry strategists.

> ANCON NOTES

Sam | Arts Law | Fifth Year | EU President

Your determined prayerfulness and financial generosity provide a foundation for the ministry of the EU. I, with countless others, have been abundantly and eternally blessed by the prayers of supporters and the work of staff. Though we may not spend time together each week, we share the joy of labouring with one another, in different ways, for the same purposes.

Sarah | Speech Pathology | Second Year

In the short time that I have been at uni, EU has massively challenged me to share Jesus with my non-Christian friends. I plan on continuing to do so over the course of my degree! Thank you for your prayers and support of this ministry.

SAVE THE DATE

**We warmly invite you to
pray & gather with us
this October.**
